### **Copyright Transfer**

All copyright rights that may exist in and to the following are hereby assigned to MedicoPharma by the undersigned: (a) the above Work, including any revised or expanded derivative works that the undersigned has submitted to MedicoPharm based on the Work; and (b) any accompanying written or multimedia components or other enhancements. At least one author is required to sign this document, after first gaining the consent of any co-authors who may be applicable.

### **Consent and Rights**

The authors affirm that the manuscript submitted to the MedicoPharma under my/our authorship has not been published or that I/We have not forwarded the work or any paper substantially similar to the enclosed one for publication elsewhere. We've examined and approved the final article. I promise that any scientific data or material I provide is original and not plagiarized. We attest that I/we will provide the manuscript's data to the editors or their assignees upon request. All authors agree that the manuscript's contents are confidential and will not be copyrighted, submitted, or published elsewhere (including the Internet), in any language, while Journal acceptance is being considered and after publication in MedicoPharm. As writers, we give to MedicoPharm all copyright rights, including electronic forms and transmissions. In connection with this assignment, the authors acknowledge that MedicoPharm will have the right to print, publish, create derivative works, and sell the work worldwide, all rights in and to all revisions or versions or subsequent editions of the work in all languages and media worldwide, and shall be the sole owner of the copyright in the work worldwide. We contributed significantly to the work, and its original enough for us to claim authorship. The writers guarantee that the text does not infringe on copyright and does not contain libelous material. They agree to indemnify the publisher for all damages and expenditures resulting from such infringement or libelous/objectable material. We guarantee that we have no financial interest in the work's subject or affiliation with MedicoPharm. MedicoPharm will assign an associate editor to each research paper submitted to improve its content and format.

### **General Terms**

The person who has signed the document affirms that they have the right to make and carry out this assignment. In the event that any of the aforementioned guarantees are broken, the undersigned promises to defend and hold the MedicoPharma harmless from any expense or damage that may result. The aforementioned copyright transfer shall become void and all materials including the Work submitted to the MedicoPharm will be destroyed in the event that the aforementioned work is not approved and published by the MedicoPharm or is withdrawn by the author(s) prior to acceptance by the MedicoPharm. The author(s) will bear full responsibility for the research paper's originality, validity, and authenticity. For collaboratively created works, either all co-authors must sign, or one author must sign on behalf of the others as their authorized representative.
